SCHOOL ASSOCIATION

Who are we?

The ESA is a registered charity and we're a team of enthusiastic parents, carers and school staff who are committed to raising much needed funds for our school, for a variety of projects to enhance our children's experience at school. We do this by organising many events and activities throughout the year.

What we do....

We aim to celebrate and build Eastfield's vibrant community through fun and engaging events and activities that create lasting memories for the children and bring us all together, such as discos, magic shows, film nights, Eid Tea, Winter Wonderland, Summer Fayre, Family Bingo and financially supporting school trips.

It's not all about the children though! We arrange fundraising events which bring the adults together, such as quiz nights, race nights, painting evenings and bingo!

Fundraising

As we smashed our previous fundraising target 2 years early, to support the school's development of technology and reading books, we're currently working with the school to decide upon our next fundraising goal! We also fund items such as dance workshops and towards school trips.

Get involved!

We have the main core team, and then we also have ESA lite, for those who would feel more comfortable occasionally helping on specific tasks. As a few of our key members have now moved on from Eastfield, we need more support! Read on to find out how you can become part of our fantastic team.

- * Could you help sell ice-creams?
- * Maybe prep popcorn for film nights?
- * How about helping on the bar at an event?
