

Dear parents / Carers,

We're delighted to launch this year's Christmas Project! Please see our email, on Monday, for full details.

We have already sent home a template for your child's design. Please note that each template has a code, and therefore cannot be photocopied. Please only use this template for designs, and it must be portrait. We have a few spare templates in the school office should you require one.

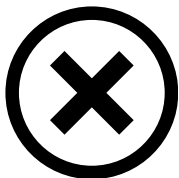

Please see below for design ideas and handy tips!

- Make sure you write your child's full name and class in block capitals at the top of the template
- Return the completed template to your child's class teacher. Please DO NOT fold or crease as this will show up on the design
- Make sure artwork is central on the template

PLEASE USE:

- Felt tip pens
- Coloured pencils (using firm pressure)
- Paints
- Wax Crayons
- Ink

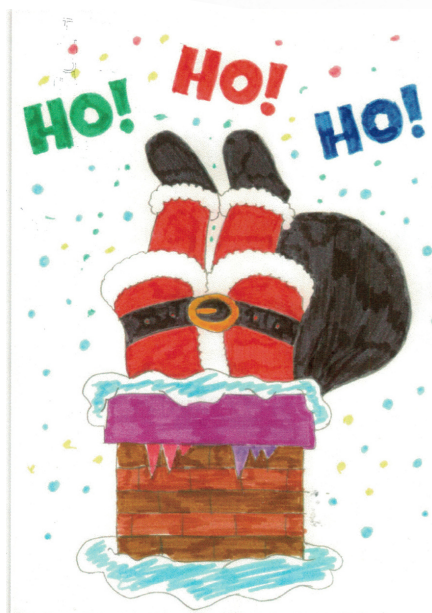

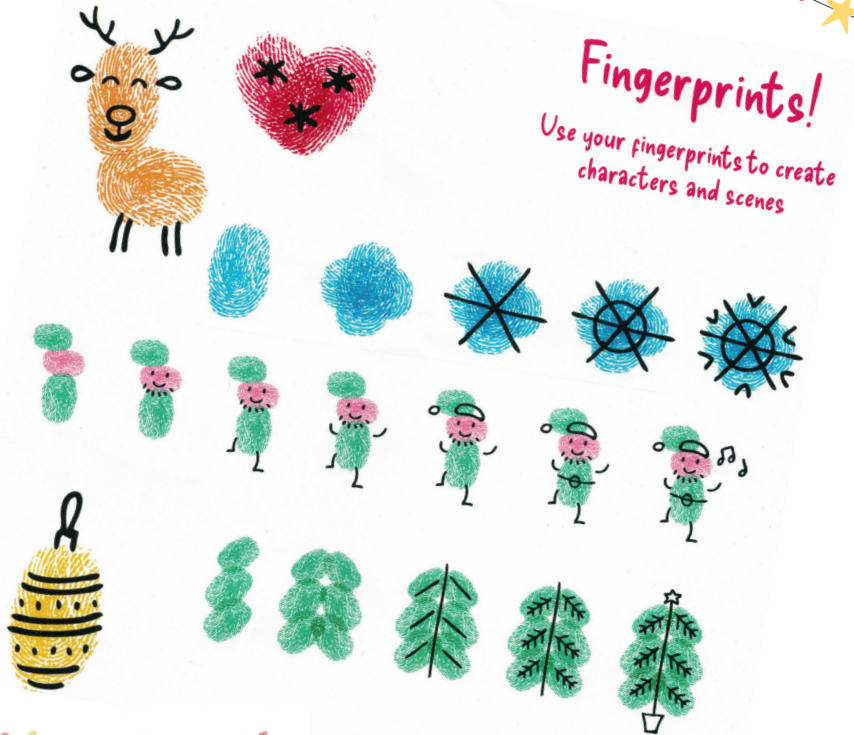

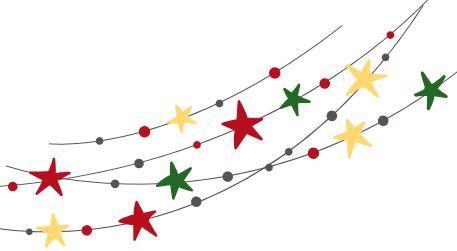

DO NOT USE:

- Metallic paper, glitter and stickers
- Fluorescent colours
- 3D objects
